

## Invitation SARC User Day May 15, 2023

We would like to invite you for our SARC User Day which will be held on May 15, 2023 at De Witte Bergen (Van der Valk), located nicely next to the A1 highway, in Eemnes.

In the morning there will be presentations on the developments of PIAS and LOCOPIAS over the last few years and we will present you an overview of our plans for the future. In the afternoon a few courses can be followed regarding LOCOPIAS, Fairway and Probdam. After these courses the day will end with a presentation for all attendees.

During the day, there will be plenty of opportunities to meet us and your fellow naval architects. The program starts at 10:00 with coffee and ends by 17:00 with drinks, and includes a lunch at noon. Further time and place details can be found below. In order to be able to prepare a smooth day, we would kindly ask you to register by mail not later than Friday May 5.

We are looking forward to meet you on May 15, and we are confident that this day will be very interesting for beginning as well as experienced users of our software. If you have any questions regarding this event, please contact us through [sarc@sarc.nl](mailto:sarc@sarc.nl) or call us at +31 85 040 9040. During the day we can be reached on +31 6 20 35 63 21.
